

Coronavirus

To ensure that people in Fangfoss, Spittal and Bolton do not suffer unduly during the present crisis we are trying to match volunteers from the village with those people who are housebound or need assistance.

Whether it is shopping, collecting prescriptions, going to the library, a lift to the doctor, someone to talk to or any other assistance please contact Pamela Broughton (details below).

Likewise if you are able to offer any help of any sort please make contact.

We will make every effort to match those in need with volunteers.

Please keep the contact details handy in case a need arises that you haven't thought of yet.

Contact: Pamela Broughton 01759 368125 or 07785 536679 randpbroughton@btinternet.com
