## SNAP A WINNER!

### Jubilee Park Photo Competition 2023

 For the 8th year running, the photo competition is back for 2023, so now is the time to check all your devices for a potential winner. Or, get snapping over the next few weeks to get in with a chance of fame and fortune!

 The competition is open to everyone, but the photos should be connected to our parish; they could be of landscapes, buildings, local features or events, or even people. When taking or choosing your entries, remember that the calendar organisers try to use pictures which match the different seasons. Also a landscape format fits the calendar layout better. In addition to the adult category, there will also be a junior category (under 18 on 1 September 2023).

 The winners of both categories will feature in next year's parish calendar, other entries may also feature at the discretion of the calendar organisers. The calendars grace the walls of many local homes and have even been known to travel across the world. The photo voted best overall will receive £50 and the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> junior winners will receive £20, £10 and £5 respectively. There is no entry fee so you have nothing to lose!

 There will be a display of all the entries at the Pub in October, (tba) when a simple voting system will decide the winners.

#### HOW TO ENTER
